Roofer's Choice Insurance has been working as a partner with 3C Network for a handful of years. Through extensive research, Roofer's Choice Insurance has put together an amazing package of insurance. We have great confidence in partnering with Roofer's Choice Insurance as they set forth to revolutionize the contracting industry.

The Insurance program they have developed allows each insured to work in all 50 states. Every package offers General Liability, Workers' Compensation, and Commercial Auto. Their package allows the insured to be fully licensed and bonded for all states and municipalities in the country with A rated bond carriers. Roofer's Choice Insurance has put together a package proven to show excellent coverage for all our Network Member's needs, and we encourage all of our members to use Roofer's Choice Insurance.

Jack Scott and his staff have exceeded all expectations with their efficiency, timeliness and resolutions for any problems we throw their way. Roofer's Choice Insurance has exceeded all the standards we set forth with our members, and I couldn't recommend a better company for your insurance needs. If you need a quote please do not hesitate to contact Jack Scott at Roofer's Choice Insurance and rest assured you have chosen the right place to have your insurance.
