

SETTING THE BAR FOR THE ROOFING INDUSTRY

October 18, 2012

We here at RRSA have been conducting business with Jack Scott, agent, and Roofers Choice Insurance for a handful of years now. Our needs have always been met quickly, efficiently and competitively. Not only do I use Jack and Roofers Choice Insurance for all of my business needs but also my personal needs. I would gladly refer any business acquaintances, family and friends to seek help and quotes through them as well.

Respectfully,
