RE: Roofers Choice Insurance

To whom it may concern:

It is with great pleasure that I write this recommendation on behalf of Roofers Choice Insurance. As President of RRSA, I have had the privilege of working with Jack Scott and his team at Roofer's Choice Insurance for a number of years now.

The dedication, attention to detail and task-to-completion speed that the Roofer's Choice Insurance team provides each customer is unmatched and greatly appreciated. I, as well as our entire organization, have had a great relationship with Jack Scott and the entire Roofer's Choice Insurance team over the years. The coverages that are offered, the services that they provide and the quick responsiveness are what truly set Roofer's Choice Insurance apart from others we have done business with in the past.

I write this recommendation for Roofer's Choice Insurance because I am grateful for their contributions to our company and the care that they take with each of our needs daily. I have the utmost confidence in Jack Scott and his team and highly recommend Roofer's Choice Insurance to all roofing contractors and friends alike.

Respectfully,
