**Recommendation for: Roofers Choice Insurance**

To whom it may concern:

I have had the opportunity to work with Jack Scott and his team at Roofers Choice Insurance this past year and I would like to express my appreciation for the excellent service him and his team provide to Guardian.

As president of Guardian Exteriors, I find a great amount of value in effective solutions. Jack is very responsive to our needs as a customer and consistently goes above and beyond to pair Guardian with the right solutions. For these reason and many others, Roofers Choice Insurance is and will continue to be a valued partner of Guardian Exteriors.

Thank you!

Sincerely,
